

Hiking

A group of Golden Lovers Hike once a month during fall, winter and spring

This is an invitation to join our Yahoo group list used to announce our hike information and give updates on changes in scheduling. You can join by going to the following link

The Hikes are very informal, feel free to invite any friends who might want to come. We all head down the trail, starting at the same time, but each at our own pace. Some go a short distance and turn around and some go the complete hike. All hikes are flat; the Chubb Trail is a little hilly at the beginning and end.
