## Happy Endings

### January 2003 - March 2003

*These are some of our adopted Golden  
who have gone on to their new homes!*

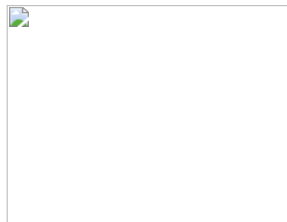

**Shelby**

Shelby is enjoying taking walks with her new family. They are planning to take her to an obedience class where she'll no doubt be a star.

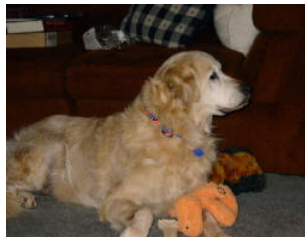

**Scout**

Scout is getting lots of ball playing and lots of attention in her new home. She traveled to Ohio via a CUR run to meet her new owner who is doting on her.

**Maggie Lou**

Maggie Lou found a wonderful family complete with two doggie sisters. Her family welcomed her into their hearts knowing that she had a cancerous lump removed while in her foster home. She can expect to have many happy years with them.

**Brandywine**

Brandywine is quite the pampered girl in her new home. This beautiful senior is getting lots of love and enjoying life as the center of attention in her new family

**Mack**

Mack is having a great time in his new home, getting lots of love and attention in Colorado.

**Claire**

Claire is enjoying life in her new home where she gets lots of love and attention and has a doggie friend. She's already enrolled in obedience class and expects to have a lot of fun learning new things. She's in a very special home who was willing to adopt her even though she has a condition known as megaesophagus which means that her esophagus is a little lax. She hopefully won't have any serious problems because of the condition, and her new home is taking extra special care of her to manage the condition. In return, she will give them lots of love and share her sense of joy.

**Nickolas**

Nickolas (right) is having fun in his new home. He hadn't been in the house before coming to rescue, but he's learning fast about all the joys of family life and becoming more confident.

**Boomer Malcob**

Boomer Macomb is a lucky boy with a new life and a new name, Bear. He's enjoying the love and attention which he had missed for much of his life.

**Mira**

Mira is a young Golden girl who looks a little different from most Goldens since for some reason she has a black ear. Before coming to rescue, she lived in a kennel and is now enjoying her new life as a treasured companion living in the house.

**Noma**

Noma had a great Christmas and got what she wanted most-- a home of her own. Noma is a senior girl who was successfully treated for heartworms. She is now enjoying life overseeing things in her forever home.

**Missy**

Missy is a sweetheart who loves everyone. She loves to go places and do things, particularly go wading. Missy has found a loving home where she can relax on her special rug after a fun day.

**Stormy**

Stormy is shy due to lack of socialization but trying very hard to learn to trust people. She is blossoming in her new home where she gets lots of tlc.
