Love A Golden Rescue

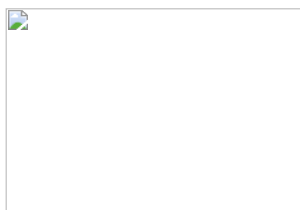

Happy Endings January - March 2004

*These are some of our adopted Golden
 who have gone on to their new homes!*

Lincoln

Lincoln is a happy boy to have found a fun home. He has
 already made lots of friends who live nearby and love to take
 him on walks. Everyone who meets him comments on his
 great personality.

Austin

Austin is very happy to have found a loving family of his
 own. He now gets the attention and love he so deserves.

Luke

Luke has found an outlet for his endless energy and desire to
 retrieve and carry things--he is going to be trained for a
 working dog who will help find people and objects and make
 a difference in people's lives.

Burton

Burton is looking forward to having lots of fun with his new family and new doggie sister. They plan to teach him all he needs to know to be a good canine companion as he grows up.

Sunshine

Sunshine is a snuggler who likes to tell her new family about her day. She's now getting the love which she so longed for.

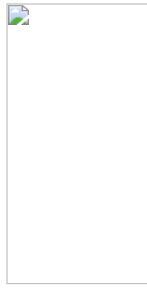

Frisbee

Frisbee has had his dreams come true--he has a family who he can love and who loves him and who enjoys his clowning.

Tacoma

Tacoma loves people and loves to play. He's thrilled to be in a home where he gets lots of attention and can continue to learn what all young dogs need to know.

CeeCee

CeeCee (who was foster girl Sissy) now has an active life with lots of fun walks with her new Golden sister Lacy. She also enjoys snuggling after a day of walks and play.

Sampson

Samson came to us as a young male Golden who was going to be euthanized at a rural shelter which closes during the winter. He was heartworm positive and successfully completed his treatment in his foster home. Now he has a great home with a Golden buddy and lots of fun things to do.

Buddy

Buddy (who was named Beau when in foster care) is very popular with everyone in his new neighborhood and enjoys visits to the retirement home where he brings lots of love to everyone he meets.

Sarge

Sarge is enjoying life in his new home with another adopted rescue Golden. He gets lots of love and lots of playtime.

Bass

Bass is a happy boy who is having a great time with his very own family & a doggie buddy.

Fenway

Fenway is having a blast in his new home. He now thinks that he is a lap dog. He also enjoys playing with the other Golden in his adoptive home. He's going to be starting obedience class soon and will no doubt view that as lots of fun.
