Love A Golden Rescue

Happy Endings October-December 2005

*These are some of our adopted Golden
who have gone on to their new homes!*

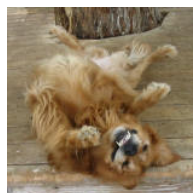

Sir Hampton

Sir Hampton is very happy with his new family who reports that he has already "gotten a million kisses and tons of cuddling."

Sugar Baby

Even though Sugar Baby is only around two years old, we were told that she had already had two litters of puppies before coming to rescue. Now she is permanently retired from raising puppies and enjoying her new life with a doggie brother and a pretty new name, Sunshine Deigh.

Valentine

Valentine is having a great time entertaining his new family with his antics which include catching balls in mid-air and suddenly stopping, dropping, and rolling to get petted.

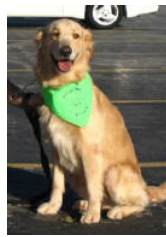

Rosco

Lucky Rosco is learning about how much fun life can be in a home and was adopted by his foster home where he now has doggie brothers to help show him the ropes.

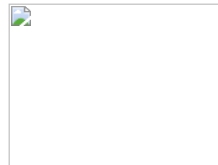

River

River had a hard life before coming to rescue and is still working to overcome his fears with the help of his new family. They say that he has a golden spirit which just won't quit and keeps shining through. He's enjoying life with his new doggie brother Jake.

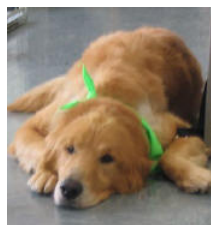

Sparky (formerly Colin)

Sparky (who was called Colin in rescue) has quickly made himself at home with his new family. He is very happy to have lots of time to play and time to snuggle at night.

Cooper

Cooper came to us from a rural area after being turned into a shelter for killing the neighbor's chickens. Now he has a stuffed toy chicken for playtime and a Golden buddy to keep him busy.

Winston (formerly Winslow)

Winslow has a new family and is now named Winston. He is having a great time playing with his active family.

Dolly Ann

Dolly Ann had a hard life and ended up in a shelter when her family moved away and left her behind. She underwent heartworm treatment while in rescue. Now she knows how special she is with her very own family to love her.

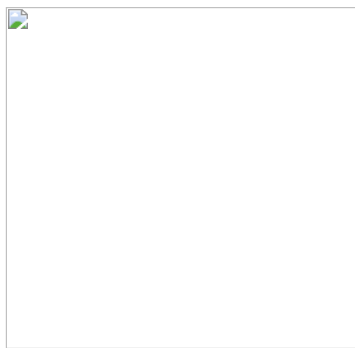

Brandy

Brandy is a fun Golden mix who loves to play with other dogs. She is very happy with her new Golden sister Penny who was previously adopted from Love A Golden.

Rene

Rene came to rescue from an apparently very hard life. She is continuing to blossom with the love and support of her new home.

Fletch

Fletch just wants to be close to you and is happy to have found a loving home.

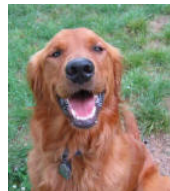

Teddy

Teddy (on the right in the picture) is having a blast in his new home with lots of fun things to do, including playing with his new sister Emily who was also adopted from Love A Golden.

Zoey (formerly Libby)

Zoey (left - whose rescue name was Libby) is a lively girl who made herself at home in her foster home. Here she's lounging with her new doggie brother Zeus (also a LAGR rescued Golden)..

Luke

Luke is an upbeat and lively boy who ended up staying in his foster home.

Traveler

Traveler is very happy to have found a new home who loves him as he is. Traveler came to us as a tripod from a shelter. He had to undergo heartworm treatment and has other potential health problems. But his foster home fell in love with him and lucky Traveler now has a forever home.
