**Love A Golden Rescue**

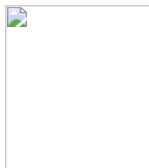

## Happy Endings July - September 2007

*These are some of our adopted Golden  
 who have gone on to their new homes!*

**Honey Bear**

Honey Bear has found her forever home with her foster family.  
 she is a lucky girl!

**Jasmine**

Jasmine is a sweet Golden mix who was running out of time in a  
 shelter but now has a loving home to call her own. She is a  
 mannerly girl who only wants to do what you want.

**Molly formerly Heather**

Molly (whose rescue name was Heather) is making lots of new  
 friends, including her new doggie sister Fudge, in her new home.  
 She's enjoying lots of play time and lots of loving.

**Bailey formerly Simon**

Bailey (whose rescue name was Simon) is a loving young Golden who has had a rough time of it in his short life. He was in extremely run down condition when he came to rescue. Fortunately for him, a good Samaritan had recently provided him with vet care which probably saved his life. He needed extra TLC in rescue, but now is enjoying life with his new family which includes another adopted Golden Lindsey.

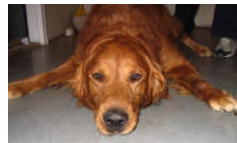

**Jackson Jay**

Jackson Jay loves to play and is getting lots of opportunities to do fun things with his new family.

**Jessica**

Jessica is a very happy senior Golden girl who is home to stay in her foster home.

**Bullseye**

Bullseye lived outside before coming to rescue but now is enjoying a great life sharing the home of his new family. He is having lots of fun and getting lots of playtime, but most of all he is getting lots of the love which he has always craved.

**PK**

PK was born around the beginning of August, 2006, and came to us from a shelter with his purebred Golden mom. We don't know what his father was, but we're guessing that he was at least part Black Newfoundland. PK was diagnosed with severe hip dysplasia and had FHO surgery on one hip while in rescue. He's now in his new home which has taken over his care.

### **Kramer (formerly Kenny)**

Kramer (whose rescue name was Kenny) came to us from a shelter because his owner was not able to care for him. He was heartworm positive when he came to rescue. He is very happy to have completed his heartworm treatment and to have found a great home where he gets lots of attention, goes on interesting walks, and is the center of attention.

### **Mooshka**

Mooshka is approximately 11 years old and very happy to be making a new start in life with a loving family who previously adopted another senior Golden who is now her buddy.

### **Maggie (formerly Layna)**

Maggie (whose rescue name was Layne) came to us when her time was up at a shelter. She is now getting lots of love in her new home.

### **Daisy Belle**

Daisy Belle is very happy to be staying with her foster family who is giving her a forever home.

**Hollywood**

Hollywood is a large Golden who was substantially overweight when she came to rescue. As she lost weight, she felt so much better and became more outgoing and playful. She has now found a loving family to take great care of her.

**Sawyer**

Sawyer is a sweet and active senior Golden who has found a home where he can hang out and go places and be a part of things.
